

The 25th New Environmental Exposition 2016

Exhibits

- Waste Disposal Resource Recovery Demolition Recovery Water, Air and Soil
- Working Environment Improvement Biomass Eco-Products Thermal
- Transportration Environment Software Bioplastic & Eco Packaging
- Construction & Disaster Prevention Radioactive Material Decontamination
- Global Warming Prevention Power & Energy Saving Renewable Energy
- Academic Organization & Groups

Co-exhibition

Promotion of Business for CO2 Reduction, New Energy Utilization and Energy Saving

GWPE 2016 The 8th Global Warming Prevention Exhibition 2016

May 24 (Tue.) to 27 (Fri.), 2016

Venue: Tokyo Big Sight
Tokyo International Exhibition Center

Organizer: Nippo Business Co., Ltd.

Deployment & Expansion of Environmental Business

N-EXPO (New Environment Exposition) will take filelds not only 3R (Reduce, Reuse, Recycling) but also Resource Recovery/Recycling, Controll & Improve of Air Pollution, Water Contamination, Soil Contamination, Waste Disposal and New energy.

NEW means;

- 1. New technology for New era
- 2. Environment business as the New business
- 3. Citizens' New activity to support government and company
- 4. New era that most of company care the environment

We are looking forward to meet you in Tokyo, next May, 2016.

NIPPO BUSINESS CO., LTD.

The scene of N-EXPO 2015

Exhibition Outline

■ Name: N-EXPO 2016 (New Environment Exposition 2016).
■ Theme: Deployment & Expansion of Environmental Business.

■ Organizer: Nippo Business Co., Ltd.

■ Secretariat: Nippo Business Co., Ltd. / International Div.

■ **Date:** May 24 (Tue.) to 27 (Fri.) 2016.

■ **Venue:** Tokyo International Exhibition Center (TOKYO BIG SIGHT), East Halls 1 to 6 and outdoor.

■ Co-exhibition: GWPE 2016 (Global Warming Prevention Exhibition 2016).

■ Endorsed by:

Ministry of the Environment. Ministry of Land, Infrastructure, Transport and Tourism. Ministry of Agriculture, Forestry and Fisheries. Ministry of Economy, Trade and Industry. Ministry of Education, Culture, Sports, Science and Technology. Tokyo Metropolitan Government. Japan Center for Climate Change Actions. German Chamber of Commerce and Industry in Japan. KOTRA(Korea Trade-Investment Promotion Agency). TAITRA(Taiwan External Trade Development Council). HKDC(Hong Kong Trade Development Council). (Result in 2015)

■ Sponserd by:

Japan Aluminum Can Recycling Association. Vinyl Environmental Council. Association for Electric Home Appliances. Glass Recycling Association. Japan Environment Corporation. Ecological Life and Culture Organization. Clean Japan Center. The Committe for The Promotion of Recycling of Construction By-Product. Japan Industrial Waste Management Foundation. Food Marketing Research and Information Center. Shokkankyo. National Federation of Industrial Waste Management Associations. Tokyo Federation of Industrial Waste Management Associations. Geo-Environmental Protection Center. Japan Environmental Sanitation Center. Japan Environmental Facilities Manufacturers Association. Japan Environment Association. Japan Ecology Foundation. Association of Japan Environmental Preservation .Japan Federation of Construction Contractors. The Japan Society of Industrial Machinery Manufacturers. Japan Industrial Waste Technology Center. Japan Iron And Steel Recycling Institute. Japan Waste Management Consultant Association. The Japan ontainers and Packaging Recycling Association. Japan Waste Research Foundation. Plastic Waste Management Institute Japan. The Council for PET Bottle Recycling. (Result in 2015)

Profile of Exhibits

Equipment, devices and services for:

- Landfill sites
- Incinerators
- Demolition/debris/rubble
- Bailing/compacting
- Waste transportation (carts/containers/conveyors/mobiles)
- Waste storing and composting
- Can and bottle disposal
- Organic waste processing
- Waste papaer processing
- Sludge and excreta processing
- New Energy

- Waste water, liquid and oil processing
- Medical/infectious waste
- Recycling and waste-to-energy processing
- Odor control
- Analyzing and measuring apparatus
- Classification systems
- Information and data control
- Associated products and materials
- Water conservation
- Soil conservation
- Air conservation

Participation Costs and Deadline for Application

Participation Costs

Indoor

Space & Packaged Shell Booth: JY432,000/9m²

Space only: $JY35,600/m^2$ (Min. $54m^2$)

Outdoor

Space only: JY27,000/m² (Min. 9m²)

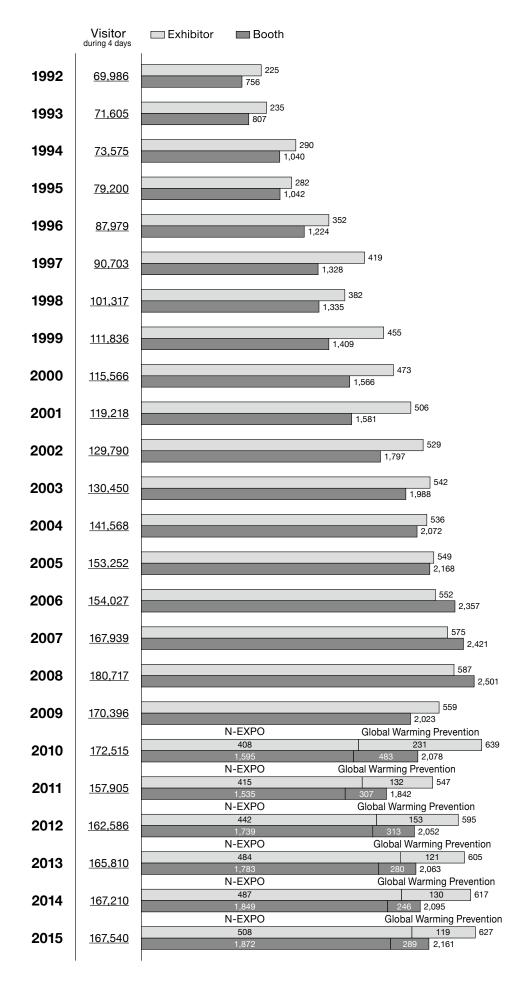

Deadline for Application

Dec., 25, 2015

Remarks:

- 1) Packaged shell booth include;
 - Back and side panels, fascia with exhibitor's name, carpet, information counter, fluorescent lights (2), main wiring AC 100V & current charge, outlet (100V/50Hz), chair (1)
- 2) Rental equipments, such as chair, desk, video, light etc., will be available for order by specified order forms

Public Relations & Advertising Activities

We carried out the following PR and advertising activities of N-EXPO & GWPE

Posters

Posters were sent to supporters and sponsors, exhibitors, prefectures and municipalities, clean centers, health centers, chambers of commerce, embassies and consulates, universities, high schools and colleges of technology, research institutes, and other businesses...

■ Newspaper Advertisements

Ads were placed in Nikkan Kogyo Shimbun (PR planning), The Recycling Economy Times, The Hoso Times, and other newspapers.

■ Magazine Advertisements

Ads were placed in Monthly the Waste, Bimonthly magazine E-Contecture, Bimonthly magazine Prevention of Global Warming, Sanpai NEXT, Monthly Food Packaging Japan, Monthly magazine Carton & Box, and other magazines.

■ Complimentary Tickets

Secretariat and exhibitors send complimentary tickets to addresses where posters were delivered and other places (Total tickets issued: 1.1 million)

■ Transportation Advertisements

Ads were posted on all JR East lines in the Tokyo metropolitan area,

Keihin Tohoku Line, Negishi Line, Saikyo Line (including the Rinkai Line), Chuo Line Rapid Service, Odakyu Line, Keio Line, Seibu Line, Tobu Tojo Line, all Tokyo Metro lines, Toei subway and Toei bus lines, JR West local and rapid trains, Osaka Municipal subway.

Internet Advertisements

Ads were placed in various demand-side platforms (such as Logicad and MarketOne) and Google Display Network, Yahoo Display Network, Google AdWords, Yahoo Sponsored Search, and PR Times. Banner ads were placed on environmental-focus sites in Korea, Taiwan, China, and Hong Kong. Ads were also placed on the Nippo Internet and inserted in email transmissions.

■ News Releases

News releases were sent to central government press clubs, newspaper companies, TV stations, radio stations, specialized trade magazines and papers, embassies, and consulates.

■ Media Relations

<Television>

TBS Television, TV Tokyo, NHK Kochi Broadcasting Station, Reuters TV

<Press:

Press attendance of 981 contacts from television and radio, internet, general newspapers and magazines, specialized newspapers and magazines, trade newspapers and magazines, other.

Report on Joint Event

2015 New Environmental Exposition Memorial Seminars 2015

- *Collection of Disused Items and Bulky Waste & Estate Sale Businesses
- *Tokyo Olympics & Future Construction Waste Treatment
- *Recycling of Waste Plastics: Market trends in Japan and overseas
- *In-depth Explanation from Introduction to Actual Practice!: the Waste Management and *Public Cleansing Act & management practices
- *New Business Development and Securing Routes for Resource Recycling: Waste paper, *glass, scrap iron, and other
- *Next Generation Waste and New Markets for Recycling &

 Treatment: Solar power *generation systems, large-capacity storage batteries, carbon fiber reinforced plastics
 (CFRP)
- *New Food Recycling Systems & New Development of Food Recycling Businesses: Points *for system reform and potential for the development of methane fermentation businesses
- * Evolving Reverse Logistics and Development of New Recycling Businesses
- * Packaging Seminar: Adding value to processed cardboard and paper
- *Drastically Changing Trends of Woody Biomass Power Generation: Supply and demand for fuel, situation in Japan and overseas, downsizing, and co-generation
- *People Coming Together! Getting People Together! Waste Treatment Businesses Chosen by People: Attractive companies that motivate employees and maintain the customer's trust
- *Advanced recycling of containers and packaging: Successful bids, technological innovation, and new applications

Stop Global Warming! Global Warming Prevention Forum 2015

Period: May 26 to 29

Venue: Hall 4/Global Warming Prevention Exhibition 2015 We had 11 sessions under the each theme.

- 1. Open Discussion Future of the Earth & Our Choices: IPCC X Business
- 2. Global Warming Prevention Measures in FY 2015
- 3. Expansion and New Entry Points for Geothermal Utilization
- 4. Examples of Installation and Challenges for Expansion of Small-scale Hydroelectric Power Generation
- 5. Current State and Challenges for Solar Power Generation: Towards new expansion
- 6. Prospects for "Solar Sharing": Solar power generation with crop cultivation
- 7. Seminar on Environmental Businesses in Hong Kong and China
- 8. Latest Trends and Challenges for Woody Biomass Power Generation
- 9. Recent Trends in Renewable Energy
- 10. Introduction of Energy-Saving Measures and Support Services for Small- and Medium-Sized Businesses [Governmental support]
- 11. Energy-Saving Measures to Reduce Energy Usage and Cut Costs [Actual cases]

TERMS AND REGULATIONS FOR PARTICIPATION

1. EXHIBITION:

"N-EXPO 2016" New Environmental Exposition 2016 "GWPE" Global Warming Prevention Exhibition 2016

2. ORGANIZER:

Nippo Business Co., Ltd.

3. PLAN & OPERATION:

Nippo Business Co., Ltd.

4. EXHIBITORS:

Japanese or overseas manufacturers, importers, exporters and their respective associations whose goods are covered by the Exhibition Profile can be accepted to participate as Exhibitors.

5. APPLICATION FOR PARTICIPATION:

All applications for participation shall be made on the prescribed application form. The application form shall be submitted directly to Nippo Co., Ltd. The application form shall be accompanied by the required deposit equivalent to 50% of the total space rental and stand charges. The submission of the application form shall be deemed to be confirmation of participation and acceptance of the Terms and Regulations for Participation. The organizers reserve the right to accept or refuse any application without giving any reason whatsover.

6. ALLOCATION OF SPACE:

The Organizers shall allocate the space in accordance with the nature of the goods displayed or in the manner they consider best. The Organizers shall reserve the right to reallocate the space allottted to the Exhibitor at any time prior to the commencement of the build-up of the Exhibition should exceptional circumstances demand, and to alter the size and dimensions of the site, to transfer or close entrances and exits to the Exhibition Hall and to undertake other structural alternations. Such reallocations shall be at the absolute discretion of the Organizers, and the Exhibitor shall have no claim for compensation as a result of the reallocation.

7. TERM OF PAYMENT:

- a) All applications for participation shall be accompanied by a 50% deposit.
- b) The balance shall be paid by;
 - March 11, 2016
- c) Payment for additional charges shall be made in full on presentation of invoices before opening the Exhibition.
- d) Payment by the stipulated date is a prerequisite condition governing the use of the stand and participation in the Exhibition. In the event of default in payment by the stipulated date the Organizers shall reserve the right to claim all dues from the defaulting exhibitor who shall not be entitled to any form of compensation.

8. WITHDRAWALS/CANCELLATION:

Under no circumstances will Exhibitors be permitted to withdraw, cancel or reduce their space booking from the Exhibition. However, the Organizers may consider special cases under the terms and conditions stipulated below:

90 days prior to the exhibition - 50% refund

60 days prior to the exhibition - 25% refund

30 days prior to the exhibition - No refund

9. CAHNGES:

The Organizers reserve the right to change the venue and duration if exceptional circumstances demand. In the event of change of venue and/or duration, the agreement to participate shall remain in force so long as the Exhibitor is informed of the changes four weeks before the change. In the event of canncellation of the Exhibition, the Organizers shall be entitled to retain or recover 25% of the space rental to cover the general expenses of preparation and any other spacial expenses incurred by the Organizers in connection with the Exhibition. In the event of a change of venue, postponement or cancellation of the Exhibition, the Exhibitors or their representatives shall not be entitled to any claim for compensation in connection with their booking for participation.

10. CONSTRUCTION AND DECORATION OF STAND:

The Exhibitors will be allowed to erect and decorate their stands over a reasonable period that the Organizers may determine or stipulate in the Exhibitors' Manual. The Exhibitor shall take due care not to obstruct common passage-ways or other Exhibitors' stands. Any damages caused by the Exhibitor or his contractors to other Exhibitors or common property shall be the responsibility of the exhibitor. The Exhibitor is required to complete all the work by the date and time stipulated by the Organizers.

11. USE OF STAND:

The Exhibitor is bound to exhibit the announced goods and to man the stand with competent personnel during the opening hours of the entire Exhibition. The Organizers shall have the right to refuse admittance to any

visitor to the stand and to have access to the stand at all times.

The Exhibitor is not allowed to sublet the space alloted to him to other parties either wholly or in part without the written approval from the Organizers.

The Exhibitor will be liable for any damage to walls or floors of the building within which his exhibits are housed and shall not paint or otherwise alter the floors, ceilings, pillars, or walls without the express consent of the Organizers.

12. MOVEMENT OF EXHIBITS:

- a) The transport of exhibits to the Exhibition venue shall be the responsibility and at the expense of the Exhibitor.
- b) Arrangement for storage or warehousing of exhibits shall be made by the Exhibitor.
- c) The Exhibitor shall submit a list of exhibits to the Organizers at least ten weeks prior to the exhibits being sent to the Exhibition venue.
- d) No exhibit will be allowed in or out of the Exhibition area without a delivery order or clearance chit.
- e) Exhibitors shall remove all exhibits from the Exhibition Hall within the period stipulated by the Organizers and shall indemnify the Organizers against any loss by reason of delay or damage to the exhibition Hall.

13. FAILURE OF SERVICES:

The Organizers will use their best endeavour to ensure the supply of the services mentioned in these Regulations and in the Exhibitors' Manual, but they shall not incur any liability to the Exhibitor for losses, damages, or expenses or otherwise through strikes, lockouts, accident, force majeure, or other causes beyond the control of the Organizers if any such services shall wholly or partially fail or cease to be available, nor shall the Exhibitor be entitled to any claim in respect of rental due or paid under his contract.

14. SECURITY:

The Organizers shall take all necessary security precautions in the interest of the Exhibitors and visitors. However, the Exhibitor shall be held responsible for all risks connected with his goods on display.

Adequate safety guards must be fitted to all machinery. The Exhibitor shall be responsible for staffing his stand during the build-up, exhibition and dismantling period. The Organizers shall not be held liable for any loss or damage to exhibits or any articles belonging to the Exhibitor.

15. FIRE AND OTHER SAFETY REGULATIONS:

The Exhibitors are prohibited from demonstrating any apparatus, stoves or heaters that employ naked flames or inflammable gas within the Exhibition premises without written permission from the Organizers.

16. LIABILITY, RISKS AND INSURANCE:

The liability or risks of the staff and employees of the Exhibitors shall be the responsibility of the Exhibitor. He shall take necessary insurance coverage for such liabilities and risks. The Organizers shall not be held liable for such liabilities and risks suffered by his employees or exhibits. The Organizers shall be under no liability for personal injury to the Exhibitor or his servants, agents, invitees or licensees howsoever caused nor for the loss of or damage to exhibits or other property of the Exhibitor, his servants, agents, invitees or licensees howsoever caused. The Exhibitor is accordingly advised to take out all necessary insurance.

17. BANKRUPTCY OR SETTLEMENT PROCEEDINGS:

If prior to the opening of the Exhibition, the Exhibitor becomes bankrupt or is forced to terminate the agreement to participate, the Organizers shall release him from the contractual obligations. However, the Organizers shall have the right to retain or recover 25% of the total space rental stand charges plus any cost incurred up to the time of such request. The Organizers shall have the right to dispose of the space or stand in question in any manner they deem fit.

18. SUPPLEMENTARY CLAUSES:

Whenever necessary, the Organizers shall have the right to issue supplementary regulations in addition to those in the Terms and Regulations for Participation to ensure the smooth management of the Exhibition. Any additional written regulations or instructions shall form part of the Terms and Regulations for Participation, and they shall be binding on the Exhibitor.

19. DOMICILE AND JURISDICTION:

The implementation of these regulations or supplementary stipulations laid down by the Organizers relating to the Exhibition shall be deemed to be domiciled at the offices of the Organizers, All disputes arising from the Exhibitors' participation and from the enforcement of these regulations laid down by the Organizers shall be judged according to the law of Japan.
