Schedule for the N-EXPO (New Environmental Exposition) and GWPE (Global Warming Prevention Exhibition) in consideration of the 2020 Tokyo Olympic and Paralympic Games

We greatly appreciate your support for the N-EXPO and GWPE. As you know, the Tokyo Olympic and Paralympic Games will be held from July to September in 2020.

Tokyo Big Sight will be used by the International Broadcast Centre (IBC) and Main Press Centre (MPC).

Because of this, Tokyo Big Sight will not be available for use for exhibitions from the time it is set up to the time it is dismantled. (April 2019 through November 2020).

Due to these unavoidable circumstances, the organizers have conducted a series of discussions with Tokyo Big Sight concerning our exhibition dates.

As a result, the dates indicated below have been selected to hold the N-EXPO and GWPE over the next few years.

Date	Venue
March 12 (Tue.) to 15 (Fri.), 2019	Tokyo Big Sight / Tokyo
April 22 (Wed.) to 24 (Fri.), 2020	Intex Osaka / Osaka
May 2021	Tokyo Big Sight / Tokyo

We realize this may cause some inconvenience to exhibitors, but we kindly ask for your understanding and cooperation.

In particular, please note that the 2019 events will take place in the same fiscal year as the 2018 exhibition (for fiscal years running from April through March).

Since the first held in 1992, these exhibitions have gained a solid reputation as an opportunity to usher in a new age for the environmental business.

From 2019 on, we will be making a new start in an effort to bring even more satisfaction to exhibitors and visitors alike.

We are sincerely looking forward to your enthusiastic participation.
